

UN GLOBAL COMPACT

PROPOSAL

- * To look at establishing a working relationship between The European Walled Towns and UN Global Cities Programme
- * Potential for collaborative efforts between two organisations such as research, pilot projects, facilitation of internship

UN Global Compact has two main objectives:

- * Mainstream the ten principles in business activities around the world with special emphasis in the areas of human rights, labour, environment, and anti-corruption
- * Catalyse actions in support of broader UN goals, including the Millenium Development Goals (MDGs)

BENEFITS OF JOINING

- * Adopting an established and globally recognised policy framework for the development ,implementation, and disclosure of environmental, social, and governance policies and practices
- * Sharing best and emerging practices to advance practical solutions and strategies to common challenges
- * Advancing sustainability solutions in partnership with a range of stakeholders, including UN agencies, governments, civil society, labour, and other no-business interests
- * Accessing the UN extensive knowledge /experience with sustainability and development issues
- * Utilising UN Global Compact management tools and resources
